affection of prof p chenna reddy enjoys in the intellectual world the felicitation volume is brought out in a series of 12 independent books covering a total of 460 articles every volume contains two sections the first section contains the biographical sketch of prof p chenna reddy his achievements and contribution to archaeology history and society the second section of each volume is subject specific e g volume i on archaeology volume ii on early and medieval indian history volume iii on modern indian history volume iv on epigraphy and numismatics volume v on art volume vi on architecture volume vii on religion and philosophy volume viii on economy trade and commerce volume ix on literature volume x triballore and folklore volume xi contemporary india and diaspora volume xii tourism and contains as many as 460 articles and contributed by renowned scholars this book envisages a multi proxy approach using stable isotopes geochemical proxies magnetic susceptibility and associated biotic events for paleoclimatic and paleoenvironmental interpretations of the mesozoic sedimentary record of india mesozoic rocks of india record abnormal sea level rise greenhouse climate intensified volcanism hypoxia in seawater extensive black shale deposition and hydrocarbon occurrence the mesozoic has also witnessed mass extinction events evolution of dinosaurs and breakdown of the supercontinent pangea and the formation of gondwana although the mesozoic geology of india has witnessed significant progress in the last century literature survey reveals a huge gap in knowledge regarding sequence stratigraphy chemostratigraphy and key geological events a synthesis of sedimentological paleontological and chemical

data is included to presenting a comprehensive understanding of the indian mesozoic record to students researchers and professionals contributed seminar papers presented at 27th session of the south indian history congress from 2 4 february 2007 at the rajapalayam rajus college epigraphy and numismaticsdescriptionvolume iv epigraphy and numismatics the volume contains 34 articles in which there are 23 articles on epigraphy and 11 articles on numismatics the epigraphy section covers studies on almost all the dynasties ruled over the indian sub continent and through valuable light on political social economic religious and other aspects of indian history the second section of the book covers important aspects of coinage found from various regions of india right from the pre mauryan times to late medieval times these articles shed light on the coinage on a pan indian context right from the punch marked coins satavahana roman kshatrpa pandyas and sultanate and also symbols on the coins which opens new vistas in the numismatics study this volume serves as a valuable source book for the students research scholars and teachers as well in the fields this volume also highlights the love and affection of prof p chenna reddy enjoys in the intellectual world the felicitation volume is brought out in a series of 12 independent books covering a total of 460 articles every volume contains two sections the first section contains the biographical sketch of prof p chenna reddy his achievements and contribution to archaeology history and society the second section of each volume is subject specific contributed papers presented at the seminar on the early novels in the south indian languages held at university of

calicut in october 2000 volume viii economy trade and commerce the volume contains 31 articles contributed by scholars on trade commerce and economy the articles include process of urbanization buddhism and trade routes marine trade epigraphical references to trade mercantile activities commercial contacts with south asian countries trade and craft guilds trade on indian ocean role of ports in promoting trade and commerce and migrant trading communities the volume serves as a valuable source book for students research scholars and teachers of trade commerce and economy in historical context this volume also highlights the love and affection of prof p chenna reddy enjoys in the intellectual world the felicitation volume is brought out in a series of 12 independent books covering a total of 460 articles every volume contains two sections the first section contains the biographical sketch of prof p chenna reddy his achievements and contribution to archaeology history and society the second section of each volume is subject specific e g volume i on archaeology volume ii on early and medieval indian history volume iii on modern indian history volume iv on epigraphy and numismatics volume v on art volume vi on architecture volume vii on religion and philosophy volume viii on economy trade and commerce volume ix on literature volume x triballore and folklore volume xi contemporary india and diaspora volume xii tourism and contains as many as 460 articles this volume brings together 13 well researched and original essays which describe and analyse the trajectory of fertility decline in the south indian states of tamil nadu karnataka andhra pradesh and kerala

documenting the fact that the fertility decline occurred in regions with vast differences in development indicators the contributors argue that this transition must be understood as a cumulative result of several factors including family planning policies socio economic transformation and changes in social perceptions towards fertility contraception marriage family and child rearing combining various qualitative and quantitative techniques with field studies and historical analysis the contributors go beyond the formal tools of demography and develop an original geographical information system gis a spatialized database encompassing south indian districts the author traveled for three years in southern india researching destinations for meditation in the micro interiors of the four southern states this guide elucidates how to reach these tranquil destinations where to stay and what to eat destinations featured include hampi borra caves coonoor kavasseri karripode among this volume deals with south indian sanskrit manuscripts predominantly on palm leaf and rarely older than three to four centuries and their role in a manuscript culture that had a significant impact on indian intellectual history for around two millennia volume ii early and medieval indian history the volume contains 28 articles covering studies on early early medieval medieval late medieval and modern history contributed by eminent scholars the topics covered include vedic studies gupta history hereditary grants warfare in vijayanagara period irrigation during the medieval period and polity in late medieval periods this volume serves as a valuable source book for students research scholars and teachers of historical studies for the people who want to

know about the evolution of mankind in different perspectives this volume also highlights the love and affection of prof p chenna reddy enjoys in the intellectual world the felicitation volume is brought out in a series of 12 independent books covering a total of 460 articles every volume contains two sections the first section contains the biographical sketch of prof p chenna reddy his achievements and contribution to archaeology history and society the second section of each volume is subject specific e g volume i on archaeology volume ii on early and medieval indian history volume iii on modern indian history volume iv on epigraphy and numismatics volume v on art volume vi on architecture volume vii on religion and philosophy volume viii on economy trade and commerce volume ix on literature volume x tribalore and folklore volume xi contemporary india and diaspora volume xii tourism and contains as many as 460 articles revised version of seminar papers and contributed articles the author finds that agrarian radicalism develops most readily in a way analogous to industrial class struggle through the economic clash of homogeneous and polarized groups within the agrarian sector originally published in 1985 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in

1905 description the essays of this volume were first presented to a conference of south indian specialists convened at the university of wisconsin on 7 9 april 1970 this was the second such conference of the society for south indian studies the first having met at the university of texas on 5 7 december 1968 from which came a valuable set of essays entitled symposium on dravidian civilization 1971 edited by andree f sjoberg robert e frykenberg department of history university of wisconsin the convenor of the second ssis conference intended that the papers and discussion should be a comprehensive stock taking of scholarship on south india each of the scholars invited to present papers was specifically asked to make such an assessment in the field of his or her competence and was also asked to suggest potentially useful lines of future research in the light of that assessment the scope of the essays is broad they reflect the range of interests and scholarship of americans in south india and though each of the writers accepted the charge of professor frykenberg to survey some portion of the totality of knowledge of south indian society culture and history some essays provide new and sometimes startling formulations this was an unexpected dividend of the conference volume i archaeology covers various aspects of archaeological sites research carried out worldwide it contains 53 articles contributed by reputed archaeologists and covers topics on prehistory rock art indus valley iron age early history early medieval history ethno archaeology palaeo botonical studies and museology in india and southeast asia this book serves as a valuable source book for students research scholars and teachers in archaeology ethno archaeology history and

museology who want to know about the evolution of mankind in different perspectives this volume also highlights the love and affection of prof p chenna reddy enjoys in the intellectual world the felicitation volume is brought out in a series of 12 independent books covering a total of 460 articles every volume contains two sections the first section contains the biographical sketch of prof p chenna reddy his achievements and contribution to archaeology history and society the second section of each volume is subject specific e g volume i on archaeology volume ii on early and medieval indian history volume iii on modern indian history volume iv on epigraphy and numismatics volume v on art volume vi on architecture volume vii on religion and philosophy volume viii on economy trade and commerce volume ix on literature volume x tribalore and folklore volume xi contemporary india and diaspora volume xii tourism and contains as many as 460 articles the rāmāyaṇa traditions of south india and southeast asia are examined at multiple levels in this volume the research presented here offers in depth investigations of chosen moments in the development of the epic tradition together with broader trends that help in understanding the epic s multivalence the journey and localization of the rāmāyaṇa is explored in its manifold expressions from classical to folk from temples and palaces to theatres and by lanes in cities and villages and from ancient to modern times regional rāmāyaṇas from different parts of south india and southeast asia are placed in deliberate juxtaposition to enable a historically informed discussion of their connected pasts across land and seas the three parts of this volume organized as visual literary and performance cultures

discuss the sculpted painted inscribed written recited and performed rāmāyaṇas a related emphasis is on the way boundaries of medium and genre have been crossed in the visual literary and performed representations of the rāmāyaṇa these are rewarding directions of research that have thus far received little attention bringing together 19 well known scholars in rāmāyaṇa studies from cambodia canada france india indonesia malaysia singapore thailand uk and usa this thought provoking and elegantly illustrated volume engages with the inherent plurality diversity and adaptability of the rāmāyaṇa in changing socio political religious and cultural contexts and with shifting norms tastes traditions and ideologies volume vii religion and philosophy a religious and philosophical study contains 35 articles contributed by expert scholars in religious and philosophical studies the topics cover broadly on the buddhist jain and hinduism the topics covered include buddhist philosophy buddhist literature revival of buddhism development of jainism in south india advaita vedanta saivism in medieval india saiva sects like kalamukha bhakti movement teachings of narayana guru and muslim religious aspects of kashmir the volume serves as source book to the students research scholars and teachers of indian religious and philosophical studies in historical studies this volume also highlights the love and affection of prof p chenna reddy enjoys in the intellectual world the felicitation volume is brought out in a series of 12 independent books covering a total of 460 articles every volume contains two sections the first section contains the biographical sketch of prof p chenna reddy his achievements and contribution to

archaeology history and society the second section of each volume is subject specific volume iii modern indian history the volume contains 59 articles covering a wide range of topics including historiography christian missionaries women education in pre independence period social forestry mir osman alikhan ramji gond quit india movement madras presidency social reformers rural transformation peasant struggle freedom struggle mahatma gandhi s tours in telugu speaking areas dr b r ambedkar s contributions status of women in pre independence period regulating act of 1773 dalit movement in south india muslim reformers of india and princely states historiographical trends etc this volume serves as a valuable source book for students research scholars and teachers of historical studies for the people who want to know about the evolution of mankind in different perspectives this volume also highlights the love and affection of prof p chenna reddy enjoys in the intellectual world the felicitation volume is brought out in a series of 12 independent books covering a total of 460 articles every volume contains two sections the first section contains the biographical sketch of prof p chenna reddy his achievements and contribution to archaeology history and society the second section of each volume is subject specific this book provides a systematic exploration of party system change by applying the concept of political entrepreneurship and using a detailed case study of the south indian state of tamil nadu it demonstrates how party leaders can exercise their agency and drive party system change recent developments in tamil politics are taken into account in the light of the literature on party systems achieving a

classification of the party system and revealing patterns of change the author explains the process of the change by comparing the careers of successful and failed party leaders thus identifying the factors that enabled some political entrepreneurs to successfully found political parties and contribute to the process of party system change examining issues such as regional parties political entrepreneurship social change caste and religious nationalism the book illustrates the key forces shaping contemporary indian politics and presents an example of how the trend toward identity politics and the rising influence of regional political parties are fashioning a new indian polity with a broad cross disciplinary appeal the book will be of interest to students of south asian politics comparative politics sociology and anthropology transcript of papers presented at the national seminar on perspectives of south indian history and culture conducted by the dept of history archaeology and culture dravidian university on 30th march 1st april 2004 volume vi architectural studies the volume contains 34 articles by established scholars on architecture and architectonics who dealt in various historical contexts the topics covered in the volume include on buddhist temples in china cultural resource in architecture jain temples cave temples religious ideologies and temple constructions chola temples kakatiya temples and islamic architecture the volume serves as a source book for students research scholars and teachers of indian cave and temple architecture in its historical context this volume also highlights the love and affection of prof p chenna reddy enjoys in the intellectual world the felicitation volume is brought out in a series of 12 independent books
