The Other Way Around 2014-03-01 life writing in the posthuman anthropocene is a timely collection of insightful contributions that negotiate how the genre of life writing traditionally tied to the human perspective and thus anthropocentric qua definition can provide adequate perspectives for an age of ecological disasters and global climate change the volume s eight chapters illustrate the aptness of life writing and life writing studies to critically reevaluate the role of the human vis à vis non human others while remaining mindful of persisting inequalities between humans regarding who causes and who suffers damage in the anthropocene age the authors in this collection not only expand the toolbox of life writing studies by engaging with critical insights from the fields of posthumanism and ecocriticism but in turn also enrich those fields by offering unique approaches to contemplate the responsibility of humans for as well as their relational existence in the posthuman anthropocene ina batzke is researcher and lecturer in american studies at the university of augsburg germany lea espinosa garrido is a researcher and lecturer in american literary and cultural studies at the university of wuppertal germany linda m hess is a senior lecturer and postdoctoral researcher at the chair of american studies at the university of augsburg germany

The Breadwinner 2004-03-04 raw unflinching incredibly brave bbc woman s hour visceral and gripping amy liptrout author of the outrun my name is liz and i am the partner of an alcoholic coming clean is a searingly honest memoir of loving an alcoholic both through the heaviest drinking years and into recovery when liz fraser s partner fell into a catastrophic vortex of depression and alcoholism liz found herself in a relentless hailstorm of lies loneliness and fear looking after their young child on her own heartbroken mentally shattered and with no idea what was happening or what to do as she and her family moved between cambridge venice and oxford she kept the often shocking truth entirely to herself for a long time trying in vain to help her partner find a path to sobriety until she herself finally broke from the trauma and started to speak out only to find she was one of hundreds experiencing similar things also living in silence and fear part diary part travel journal and part love letter coming clean is the true story of addiction of many kinds mental collapse and heartbreak above all it offers a voice of deep human compassion strength and hope for recovery i hope that in sharing this story it might change the way addiction is talked about and understood from both sides encourage open trusting and supportive dialogue between addicts and those their addiction affects and provide some solace and help for those who need it as i did

The Pragmatic Programmer 1999-10-20 one of the most significant books in my life obie fernandez author the rails way twenty years ago the first edition of the pragmatic programmer completely changed the trajectory of my career this new edition could do the same for yours mike cohn author of succeeding with agile agile estimating and planning and user stories applied filled with practical advice both technical and professional that will serve you and your projects well for years to come andrea goulet ceo corgibytes founder legacycode rocks lightning does strike twice and this book is proof vm vicky brasseur director of open source strategy juniper networks the pragmatic programmer is one of those rare tech books you ll read re read and read again over the years whether you re new to the field or an experienced practitioner you ll come away with fresh insights each and every time dave thomas and andy hunt wrote the first edition of this influential book in 1999 to help their clients create better software and rediscover the joy of coding these lessons have helped a generation of programmers examine the very essence of software development independent of any particular language framework or methodology and the pragmatic philosophy has spawned hundreds of books screencasts and audio books as well as thousands of careers and success stories now twenty years later this new edition re examines what it means to be a modern programmer topics range from personal responsibility and career development to architectural techniques for keeping your code flexible and easy to adapt and reuse read this book and you ll learn how to fight software rot learn continuously avoid the trap of duplicating knowledge write flexible dynamic and adaptable code harness the power of basic tools avoid programming by coincidence learn real requirements solve the underlying problems of concurrent code guard against security vulnerabilities build teams of pragmatic programmers take responsibility for your work and career test ruthlessly and effectively including property based testing implement the pragmatic starter kit delight your users written as a series of self contained sections and filled with classic and fresh anecdotes thoughtful examples and interesting analogies the pragmatic programmer illustrates the best approaches and major pitfalls of many different aspects of software development whether you re a new coder an experienced programmer or a manager responsible for software projects use these lessons daily and you ll quickly see improvements in personal productivity accuracy and job satisfaction you ll learn skills and develop habits and attitudes that form the foundation for long term success in your career you ll become a pragmatic programmer register your book for convenient access to downloads updates and or corrections as they become available see inside book for details

Forest of Secrets (Warriors, Book 3) 2023-04-17 a new york times bestseller a sensation a rollicking tale well told the times at the heart of born to run lies a mysterious tribe of mexican indians the tarahumara who live quietly in canyons and are reputed to be the best distance runners in the world in 1993 one of them aged 57 came first in a prestigious 100 mile race wearing a toga and sandals a small group of the world s top ultra runners and the awe inspiring author make the treacherous journey into the canyons to try to learn the tribe s secrets and then take them on over a course 50 miles long with incredible energy and smart observation mcdougall tells this story while asking what the secrets are to being an incredible runner travelling to labs at harvard nike and elsewhere he comes across an incredible cast of characters including the woman who recently broke the world record for 100 miles and for her encore ran a 2 50 marathon in a bikini pausing to down a beer at the 20 mile mark

Imperial Germany and the Industrial Revolution 2006-09-01

Deadline 2009-04-21 the bestselling author of matters of the heart takes readers right to a core issue what place does the pastor hold in church in the community and in parishoners own hearts she minces no words as she describes how spiritual leaders have been placed in our lives to help us move into the full portion of the inheritance god has for us

An Anthology of Sound Chips Vol. 1 2021-11-10 cassia has always trusted the society to make the right choices for her what to read what to watch what to believe so when xander s face appears on screen at her matching ceremony cassia knows with complete certainty that he is her ideal mate until she sees ky markham s face flash for an instant before the screen fades to black the society tells her it s a glitch a rare malfunction and that she should focus on the happy life she s destined to lead with xander but cassia can t stop thinking about ky and as they slowly fall in love cassia begins to doubt the society s infallibility and is faced with an impossible choice between xander and ky between the only life she s known and a path that no one else has dared to follow look for crossed the sequel to matched in fall 2011 watch a video

419 2012-03-27 good strategy bad strategy clarifies the muddled thinking underlying too many strategies and provides a clear way to create and implement a powerful action oriented strategy for the real world developing and implementing a strategy is the central task of a leader a good strategy is a specific and coherent response to and approach for overcoming the obstacles to progress a good strategy works by harnessing and

applying power where it will have the greatest effect yet rumelt shows that there has been a growing and unfortunate tendency to equate mom and apple pie values fluffy packages of buzzwords motivational slogans and financial goals with strategy in good strategy bad strategy he debunks these elements of bad strategy and awakens an understanding of the power of a good strategy he introduces nine sources of power ranging from using leverage to effectively focusing on growth that are eye opening yet pragmatic tools that can easily be put to work on monday morning and uses fascinating examples from business nonprofit and military affairs to bring its original and pragmatic ideas to life the detailed examples range from apple to general motors from the two iraq wars to afghanistan from a small local market to wal mart from nvidia to silicon graphics from the getty trust to the los angeles unified school district from cisco systems to paccar and from global crossing to the 2007 08 financial crisis reflecting an astonishing grasp and integration of economics finance technology history and the brilliance and foibles of the human character good strategy bad strategy stems from rumelt s decades of digging beyond the superficial to address hard questions with honesty and integrity

The Book of the Damned 2020-09-28 andrew has seen a flash of his future dad unfinished phd mom unfulfilling career their marriage unsuccessful based on what he s seen he s uninspired to put a foot on the well worn path to the adulthood everyone expects of him there must be another way around after a particularly disastrous thanksgiving his cousin wets andrew s bed his parents were too chicken to tell him his grandmother died andrew accidentally on purpose runs away and joins the circus kind of a guy can meet the most interesting people at the greyhound station at dinnertime on thanksgiving day the freegans are exactly the kinds of friends living out of an ancient vw camper van dumpster diving dressing like clowns and busking for change who would have andrew s mom reaching for a third glass of chardonnay to andrew five teenagers who seem like they ve found another way to grow up are a dream come true but as the vw winds its way across the usa the future is anything but certain the path of least resistance is a long strange trip

The Pragmatic Programmer 2019-07-30 colonel g w l nicholson s canadian expeditionary force 1914 1919 was first published by the department of national defence in 1962 as the official history of the canadian army s involvement in the first world war immediately after the war ended colonel a fortescue duguid made a first attempt to write an official history of the war but the ill fated project produced only the first of an anticipated eight volumes decades later g w l nicholson already the author of an official history of the second world war was commissioned to write a new official history of the first illustrated with numerous photographs and full colour maps nicholson s text offers an authoritative account of the war effort while also discussing politics on the home front including debates around conscription in 1917 with a new critical introduction by mark osborne humphries that traces the development of nicholson s text and analyzes its legacy canadian expeditionary force 1914 1919 is an essential resource for both professional historians and military history enthusiasts

The Island of Sheep 2015-04-24 fake history is not a harmless mistake of fact or interpretation it is a mistake that conceals prejudice a mistake that discriminates against certain kinds of people a mistake held despite a preponderance of evidence a mistake that harms us fake history is like the zombies we see in mass media for the fake fact like the fictional zombie lives by turning real events and people into monstrous perversions of fact and interpretation its pervasiveness reveals that prejudice remains its chief appeal to those who believe it its effect is insidious because we cannot or will not destroy those mischievous lies zombie history is almost impossible to kill some zombie history was and is political a genre of what hannah arendt called organizational lying about the past its makers designed the zombie to create a basis in the false past for particular discriminatory policies other history zombies are cultural they encapsulate and empower prejudice and stereotyping still other popular history zombies do not look disfigured but like zombies walk among us without our realizing how devastating their impact can be zombie history argues that whatever their purpose whatever the venue in which they appear history zombies undermine the very foundations of disinterested study of the past

Long Walk to Freedom 2008-03-11 ben wolf has big things planned for his senior year had big things planned now what he has is some very bad news and only one year left to make his mark on the world how can a pint sized smart ass seventeen year old do anything significant in the nowhere of trout idaho first ben makes sure that no one else knows what is going on not his superstar quarterback brother cody not his parents not his coach no one next he decides to become the best 127 pound football player trout high has ever seen to give his close minded civics teacher a daily migraine and to help the local drunk clean up his act and then there s dallas suzuki amazingly perfect fascinating dallas suzuki who may or may not give ben the time of day really she s first on the list living with a secret isn t easy though and ben s resolve begins to crumble especially when he realizes that he isn t the only person in trout with secrets

Throwaway Girl 2014-10-01 1 new york times bestseller the uninhabitable earth hits you like a comet with an overflow of insanely lyrical prose about our pending armageddon andrew solomon author of the noonday demon with a new afterword it is worse much worse than you think if your anxiety about global warming is dominated by fears of sea level rise you are barely scratching the surface of what terrors are possible food shortages refugee emergencies climate wars and economic devastation an epoch defining book the guardian and this generation s silent spring the washington post the uninhabitable earth is both a travelogue of the near future and a meditation on how that future will look to those living through it the ways that warming promises to transform global politics the meaning of technology and nature in the modern world the sustainability of capitalism and the trajectory of human progress the uninhabitable earth is also an impassioned call to action for just as the world was brought to the brink of catastrophe within the span of a lifetime the responsibility to avoid it now belongs to a single generation today s praise for the uninhabitable earth the uninhabitable earth is the most terrifying book i have ever read its subject is climate change and its method is scientific but its mode is old testament the book is a meticulously documented white knuckled tour through the cascading catastrophes that will soon engulf our warming planet farhad manjoo the new york times riveting some readers will find mr wallace wells s outline of possible futures alarmist he is indeed alarmed you should be too the economist potent and evocative wallace wells has resolved to offer something other than the standard narrative of climate change he avoids the eerily banal language of climatology in favor of lush rolling prose jennifer szalai the new york times the book has potential to be this generation s silent spring the washington post the uninhabitable earth which has become a best seller taps into the underlying emotion of the day fear i encourage people to read this book alan weisman the new york review of books

North American XB-70 Valkyrie 2018-03-09 of interest to students of economics readers of european historythe traditions of the german people including the personnel of the civil service are traditions of frugality and parsimony and these are fortified in this connection by a traditional loyalty of service to a master to whom the civil servant stands in a relation of personal stewardship from economic policy of the imperial state one of the great thinkers of the early 20th century american economist and sociologist thorstein bunde veblen 1857 1929 is best remembered for coining the phrase conspicuous consumption and in this 1915 work explaining how the stage was set for something like the third reich in germany decades before its appearance veblen describes how the pagan past of the germans gave rise to their modern character how germany s appropriation of industrial technology limited its cultural growth how a medieval perspective endured in germany into its imperial era how the dominance of prussia impacted germany as a whole and more also from cosimo veblen s the vested interests and the common man the theory of business enterprise and an inquiry into the nature of peace and the terms of its perpetuation

Being and Time 1996-01-01 when your teen years are so messed up how do you grow up happy andy burton knows a thing or two about survival since she was removed from her mother s home and placed in foster care when she was nine she s had to deal with abuse hunger and homelessness but now that she s eighteen she s about to leave haywood house the group home for girls where she s lived for the past four years and the closest thing to a real home she s ever known will andy be able to carve out a better life for herself and find the happiness she is searching for

Breaking Dawn 2008-08-02 a revised edition of anna komnene s alexiad to replace our existing 1969 edition this is the first european narrative history written by a woman an account of the reign of a byzantine emperor through the eyes and words of his daughter which offers an unparalleled view of the byzantine world in the eleventh and twelfth centuries

The Ill-Made Mute 2015-08-25 a new definitive translation of heidegger s most important work

Matched 2011-09-20 when a family buys a house in a struggling town for just one dollar they re hoping to start over but have they traded one set of problems for another twelve year old lowen grover a budding comic book artist is still reeling from the shooting death of his friend abe when he stumbles across an article about a former mill town giving away homes for just one dollar it not only seems like the perfect escape from flintlock and all of the awful memories associated with the city but an opportunity for his mum to run her very own business fortunately his family is willing to give it a try but is the dollar program too good to be true the homes are in horrible shape and the locals are less than welcoming will millville and the dollar house be the answer to the grovers troubles or will they find they ve traded one set of problems for another from the author of small as an elephant and paper things comes a heart tugging novel about guilt and grief family and friendship and above all community

Finding Hope 2016-03-19 in the explosive finale to the epic romantic saga bella has one final choice to make should she stay mortal and strengthen her connection to the werewolves or leave it all behind to become a vampire when you loved the one who was killing you it left you no options how could you run how could you fight when doing so would hurt that beloved one if your life was all you had to give how could you not give it if it was someone you truly loved to be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for bella

swan pulled in one direction by her intense passion for Edward Cullen and in another by her profound connection to werewolf Jacob Black. A tumultuous year of temptation, loss, and strife has led her to the ultimate turning point: her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life. Has become the thread from which the fates of two tribes hang. This astonishing, breathlessly anticipated conclusion to the Twilight saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! Bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*, the iconic love story of Bella and Edward told from the vampire's point of view. People do not want to just read Meyer's books; they want to climb inside them and live there. Time, a literary phenomenon. *The New York Times*.

A Book of Verses 1888 The heir of ash and fire bows to no one. A new threat rises in the third book in the #1 bestselling *Throne of Glass* series by Sarah J. Maas. Celaena Sardothien has survived deadly contests and shattering heartbreak, but now she must travel to a new land to confront her darkest truth. That truth could change her life and her future forever. Meanwhile, monstrous forces are gathering on the horizon, intent on enslaving her world. To defeat them, Celaena will need the strength not only to fight the evil that is about to be unleashed, but also to harness her inner demons. If she is to win this battle, she must find the courage to face her destiny and burn brighter than ever before. The third book in the #1 *New York Times* bestselling *Throne of Glass* series continues Celaena's epic journey from woman to warrior.

Good Strategy Bad Strategy 2011-07-19 2015 Dewey Divas Pick 2016 Booklist Top Ten Multicultural Fiction List Youth Spotlight Cam is finally settling into his new life in Laos when tragedy strikes and he's wrongfully accused of murder. Eighteen-year-old Cam Scott is angry. He's angry about his absent dad, he's angry about being angry, and he's angry that he has had to give up his Ottawa basketball team to follow his mom to her new job in Vientiane, Laos. However, Cam's anger begins to melt under the Southeast Asian sun as he finds friendship with his neighbour Somchai and gradually falls in love with Nok, who teaches him about building merit or karma by doing good deeds, such as purchasing caged merit birds. Tragedy strikes and Cam finds himself falsely accused of a crime. His freedom depends on a person he's never met: a person who knows that the only way to restore his merit is to confess. The merit birds blend action, suspense, and humour in a far-off land where things seem so different yet deep down are so much the same.

Strangers 2017-12-05 From Governor General's Award-winning author David Al Robertson comes the first book in a compelling new trilogy. A talking coyote, mysterious illnesses, and girl trouble. Coming home can be murder when Cole Harper gets a mysterious message from an old friend begging him to come home. He has no idea what he's getting into. Compelled to return to Wounded Sky First Nation, Cole finds his community in chaos. A series of shocking murders, a mysterious illness ravaging the residents, and reemerging questions about Cole's role in the tragedy that drove him away 10 years ago. With the aid of an unhelpful spirit, a disfigured ghost, and his two oldest friends, Cole tries to figure out his purpose and unravel the mysteries he left behind a decade ago. Will he find the answers in time to save his community?

Großer Lernwortschatz Englisch aktuell 2013-01-14 What others in the trenches say about the pragmatic programmer: the cool thing about this book is that it's great for keeping the programming process fresh. The book helps you to continue to grow and clearly comes from people who have been there. Kent Beck, author of *Extreme Programming Explained*, embraces change. I found this book to be a great mix of solid advice and wonderful analogies. Martin Fowler, author of *Refactoring* and *UML Distilled*, would buy a copy, read it twice, then tell all my colleagues to run out and grab a copy. This is a book I would never loan because I would worry about it being lost. Kevin Ruland, management science, MSG Logistics, the wisdom and practical experience of the authors is obvious. The topics presented are relevant and useful. By far, its greatest strength for me has been the outstanding analogies: tracer bullets, broken windows, and the fabulous helicopter-based explanation of the need for orthogonality, especially in a crisis situation. I have little doubt that this book will eventually become an excellent source of useful information for journeymen programmers and expert mentors alike. John Lakos, author of *Large Scale C Software Design*, this is the sort of book I will buy a dozen copies of when it comes out so I can give it to my clients. Eric Vought, software engineer. Most modern books on software development fail to cover the basics of what makes a great software developer. Instead, they spend their time on syntax or technology. Where, in reality, the greatest leverage possible for any software team is in having talented developers who really know their craft well. An excellent book. Pete McBreen, independent consultant. Since reading this book, I have implemented many of the practical suggestions and tips it contains. Across the board, they have saved my company time and money while helping me get my job done quicker. This should be a desktop reference for everyone who works with code for a living. Jared Richardson, senior software developer, Renaissance Inc. I would like to see this issued to every new employee at my company. Chris Cleeland, senior software engineer, Object Computing Inc. If I'm putting together a project, it's the authors of this book that I want, and failing that, I'd settle for people who've read their book. Ward Cunningham, straight from the programming trenches. The pragmatic programmer cuts through the increasing specialization and technicalities of modern software development to examine the core process: taking a requirement and producing working, maintainable code that delights its users. It covers topics ranging from personal responsibility and career development to architectural techniques for keeping your code flexible and easy to adapt and reuse. Read this book and you'll learn how to fight software rot, avoid the trap of duplicating knowledge, write flexible, dynamic, and adaptable code, avoid programming by coincidence, bullet-proof your code with contracts, assertions, and exceptions, capture real requirements, test ruthlessly and effectively, delight your users, build teams of pragmatic programmers, and make your developments more precise with automation. Written as a series of self-contained sections and filled with entertaining anecdotes, thoughtful examples, and interesting analogies, *The Pragmatic Programmer* illustrates the best practices and major pitfalls of many different aspects of software development. Whether you're a new coder, an experienced programmer, or a manager responsible for software projects, use these lessons daily, and you'll quickly see improvements in personal productivity, accuracy, and job satisfaction. You'll learn skills and develop habits and attitudes that form the foundation for long-term success in your career. You'll become a pragmatic programmer.

The Dollar Kids 2018-08-07 Finally available! A high-quality book of the original classic edition of Carey Hart's *Catalog 1852*. It was previously published by other bona fide publishers and is now, after many years, back in print. This is a new and freshly published edition of this culturally important work by Edward Carey, which is now at last again available to you. Get the PDF and EPUB now, as well included in your purchase. You have Carey Hart's *Catalog 1852* in EPUB and PDF format to read on any tablet, ereader, desktop, laptop, or smartphone. Simultaneous. Get it now. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside Carey Hart's *Catalog 1852*: look inside the book: a quarter race in Kentucky, a shark story, Lanty Oliphant in court, Bill Morse on the city taxes, Ance Veasy's fight with Reub Sessions, the fastest funeral on record, going to bed before a young lady, a Millerite miracle, old Singletire running a saw on a French gentleman, breaking a bank, taking the census, Dick Harlau's Tennessee frolic, falling off a log in a game of seven up, the Werry Fast Crab, French without a master, a rollicking dragoon officer, the Georgia major in court, Uncle Billy Brown, glorious old Tuttle's last quarter race, Bill Dean the Texan Ranger, the steamboat captain who was averse to racing, Bob Herring, the Arkansas bear hunter, McAlpin's trip to Charleston, Indian rubber pills, a murder case in Mississippi, kicking a Yankee, a down-east original, somebody in my bed, a day at Sol. It is singular that the sagacity which can detect thought only in a state of dilution is not sadly graven when it thinks of the sententious aphorisms which have survived whole libraries of folios and the little songs which have outrun in the race of fame so many enormous epics. While it can easily be demonstrated that Macaulay's writings contain a hundredfold more matter and thought than an equal number of volumes taken from what are called par eminence the British essayists, it is not broaching any literary heresy to predict that they will sail as far down the stream of time as those eminent members of the illustrious family of British classics.

The Alexiad 2009-08-06 Of the many futuristic military aircraft concepts created in the 1950s, the North American XB-70 still stands out as the most awe-inspiring. With its huge white, partially folding delta wing, its fuselage resembling a striking cobra, and its extraordinary performance, it was one of the foremost technological achievements of the 20th century. A strategic bomber built to outrun any Soviet fighter jet, it could reach Mach 3 with a full nuclear payload as fast as the legendary SR-71 Blackbird, but more than three times the size. However, its role as a nuclear bomber was limited. After the introduction of intercontinental ballistic missiles and defence cuts, eventually led to the project being scrapped in the mid-1960s. The Valkyrie had a brief, costly decade of life, but it proved the continuing value of developing manned bombers. However, almost half a century after the XB-70's predecessor, the B-52, continues in service. Using full-colour artwork and rigorous analysis, this is the complete story of the ultimate US Cold War
